The **Morning Program** is ideal for home-schooled students or those participating in online schooling, allowing them to integrate their academic studies with intensive ballet training during the day. The **Early Release Program** is designed for students who attend traditional schools but can arrange an early release. This schedule enables them to pursue their passion for dance without compromising their academic responsibilities. We recommend all students enroll into Optional Disciplines to take in addition to their minimum class schedule! Each dancer has the option to participate in a showcase which will have a \$275 fee.
